Surrender charge schedule

A competitive initial fixed interest rate is guaranteed for the 3-, 5- or 7-year initial fixed interest rate guarantee period. After the initial guarantee period, the annuity will immediately enter into a new renewal rate guarantee period crediting a renewal fixed interest rate. At the end of any guarantee period, if you leave your account value in the product, it will automatically renew one year at a time with no additional surrender charges. That means you can take your account value out penalty-free at any time after the initial fixed interest guarantee period. Unless there is a full surrender, this renewal process will continue until annuitization or death.

Years into guarantee period	1	2	3	4	5	6	7	8+
